

*Letter from the Mayor, Mary Ann Hajek*

I want to wish all of our citizens and businesses a very Happy Holiday ahead of us.

Most of you are aware of changes that are happening all around us; some in our control and some are not.

However, please be assured that the City Council and staff are doing their very best to make the best choices for the city - both for now and the future.

No one has the magic crystal ball to tell the future but looking at the history of other cities that were once "sleepy little towns" and what has become of them now, demonstrates the need to plan the growth, not react to it.

Your council, staff and I are dedicated to honesty and as much openness as possible. However, we cannot notify every one of every decision - that is not the way government, business, or even families operate. You have elected us to use judgement, knowledge, and common sense to get the job done. We are open to your responsible opinions and comments and will take everything into consideration in planning for the future of China Grove.

Have a Wonderful Holiday Season and Be Safe!!

Mary Ann Hajek, Mayor
